Inclusionary Lens Professional Development

GLSEN Washington State provides training and resources to students, educators and community

partners to make Washington schools more inclusive for all students. Their mission is to ensure that every member of every school community is valued and respected regardless of sexual orientation, gender identity or gender expression.

As we strive to connect with students through an equity-based and inclusive lens, the following [professional development opportunities](#) are available. These are WEA trainings being offered by a GLSEN trainer who is a WEA member using GLSEN PD Materials. WEA will provide clock hours to participating WEA members.
