

VEA and VPS Continue Bargaining at the Table:

The Association and District met and exchanged proposals again on May 19th and May 24th. Since the District and Association previously reached a tentative agreement on one VPS proposal and VPS withdrew their other proposal, however, we have seen little movement by VPS in response to VEA proposals regarding Educator-Directed Time and Safety and Discipline.

We will persist!

VEA Proposal Topics	VPS Proposal Topics
Teacher-directed time in the contract day	PIR – withdrawn by VPS
Safety and Discipline	VSAA – tentative agreement reached

Future bargaining dates include: **TBD**

The VEA interim bargaining team consists of Kari Van Nostran, Jamie Anderson (Bargaining Chair), Amy Spofford, Andrew Wicklas, Keith Lloyd, Sunny Selders, and Page Todd.

The District team consists of Kathy Everidge, Bill Oman, Mychael Irwin, Daniel Bettis, and Janell Ephraim.

What happens next?

VEA has provided additional dates for the VPS bargaining team to consider for scheduling purposes.

Next, the VEA Bargaining Team will meet with our Executive Board members to discuss next steps.
