

VEA Executive Board calls for Ratification Vote!

The VEA Executive Board met in Executive Session on Monday evening to learn the details of the package and consider the “do pass” recommendation presented by the VEA Bargaining team. They studied the tentative agreements and affirmed the bargaining team’s recommendation and approved sending the package to the membership for ratification.

READ the package summary here: Summary of Agreements. Links embedded in the summary include a clean copy of the proposed contract as well as a link to tracked changes (new language is blue and underlined, ~~stricken language~~ is crossed out and red). Please note that some sections were reorganized so crossed out language may appear elsewhere within the contract as noted in the summary.

Ratification Process: The Executive Board directed as much information be shared with members in advance of the Thursday informational meeting. Following our standing rules, the VEA Executive Board has called for an all member meeting on Thursday, August 29th at 6:00 pm via Zoom. Information on the tentative agreements will be shared at the meeting along with rationale and an opportunity for member Q and A. The meeting will not be recorded. Make sure VEA has your current home (non-school or college) email as the link to the ratification ballot will be sent via home email addresses. Send any changes to your home email to cbrown@washingtonea.org. Balloting will be open at 5:00 pm on Thursday and will close at noon on Saturday, August 30th.

Register in advance for the Zoom link. This meeting is for VEA members only!
