VONC Update: A Shake-Up in Central Office

Last spring, VEA and VAESP members participated in a Vote of No Confidence regarding VPS Chief Operating Officer, Brett Blechschmidt. The results and comments were shared with new VPS Superintendent Dr. Rocky Torres-Morales and School Board Directors in June.

Following the August 11 School Board meeting, it was announced via Parent Square that Mr. Blechschmidt would be leaving VPS. His last day in the office was August 11.
