

Bargaining Update

VOTING IS NOW OPEN

The ratification ballot is live.

Your VEA Bargaining team held an informational webinar last night to review the district's "last best offer" with members and shared the VEA Executive Board's "do pass" recommendation. All supporting documents are now available for members to review before voting. Following a brief technical error, we have verified that the ballot is live and working. Thank you for your grace as we got that corrected.
